18 June 2020

Dear Ian,

As Leader of the Council, and on behalf of the Vale Climate Emergency Advisory Committee, I am writing to offer the Council's support for the work that you are doing to promote active travel across the Vale in light of the lockdown during the Covid-19 pandemic and the resultant reduction in car usage.

I am pleased to see the work that you are doing to make journeys easier by bike and foot to enable and encourage more of our residents to choose active and sustainable forms of travel.

The Council is grateful for the work you are doing to improve and increase cycle parking in our market towns which supports our towns as they start to re-open following the lockdown restrictions.

I understand from Vale officers that your officers are engaging closely with them on the projects and I look forward to seeing more of the plans as they emerge in relation to phase two and the longer-term improvement programme.

Yours sincerely

Councillor Emily Smith  
Leader of the Council
