### Your comments

Q2. You can provide your comments on the proposed decision and reasoning to deviate from the boundary of Local Green Space NC1: Lower Louie Memorial Field Copse and Fen as examined by the independent examiner. You can find more information in the Consultation document - council's proposed decision. If you are commenting on a specific point, please make this clear in your response. If you wish to provide evidence and any supporting documents to support or justify your comments, you can upload your documents using the link provided below.

I support the change to the map as proposed by the Parish Council. It adds clarity ahead of the NDP moving forward to being officially adopted that will help make planning decisions more straight forward in the future.

### Your details and future contact preferences

Q4. After the consultation ends, the council will consider your comments and may refer the matter back to examination, or make the decision to proceed to referendum. All personal data will be held securely by the council and independent examiner in line with the Data Protection Act 2018. Comments submitted by individuals will be published on our website alongside their name. No other contact details will be published. Comments submitted by businesses or organisations will be published in full, including contact details. Further information on how we store personal data is provided in our privacy statement.

To whom it may concern:

Thank you for consulting Historic England on the proposed revisions to the North Hinksey Neighbourhood Plan following examination and the proposed deviation from the examiner's proposals.

I am happy to confirm in this case that Historic England do not wish to raise any concerns.

Yours faithfully

Robert Lloyd-Sweet

Dear Nina

Thank you for the opportunity to comment on the North Hinksey revised Neighbourhood Plan.

We support the recognition of need for affordable housing for key workers, particularly in health settings.

We are pleased to see the wider determinants of health being recognised within it with support for walking, cycling and a healthy environment.

Page 35 recognises the extension of premises to the Botley Medical Practice which we also support, and on page 36 the work OCCG is doing to support practices within their Primary Care Networks.

Page 38 re the extension, we do indeed hope this work will allow the practice to support patients with additional roles staff as per the national Long Term Plan paper.

As you will know there is considerable housing growth around the City area, and OCCG is in dialogue with Council Planning colleagues over the housing developments planned or underway in the area. This is recognised in our Primary Care Estates Strategy 2020 to 2025. This document can be seen on our website here:  
<https://www.oxfordshireccg.nhs.uk/about-us/primary-care-estates-strategy-2020-25.htm>

Within this document it should be noted that OCCG does not hold capital funding for practice development; it either comes via NHS England, or more latterly just via the s106 and Community Infrastructure Levy. We are reliant on this capital funding to support primary health care development. Practices are now working together in Primary Care Networks, and Botley Medical Practice is part of the White Horse Botley PCN. OCCG works with the practices on the impact of housing developments.

OCCG does receive planning applications from both SODC and VOWH and has regular meetings to keep abreast of housing developments which will have significant impact on the provision of health services.

OCCG has a specific email for planning issues, which is : [occg.planning@nhs.net](mailto:occg.planning@nhs.net)

I hope the above comments are helpful.

Kind regards

Julie-Anne

Dear Ms Merritt

North Hinksey Neighbourhood Plan: proposal to deviate from the examiner's recommendation (amend Local Green Space designation)

Thank you for your consultation on the above dated 08 January 2021.

Natural England is a non-departmental public body. Our statutory purpose is to ensure that the natural environment is conserved, enhanced, and managed for the benefit of present and future generations, thereby contributing to sustainable development.

Natural England is a statutory consultee in neighbourhood planning and must be consulted on draft neighbourhood development plans by the Parish/Town Councils or Neighbourhood Forums where they consider our interests would be affected by the proposals made.

Natural England does not have any specific comments on the North Hinksey Neighbourhood Plan.

For any further consultations on your plan, please contact: [consultations@naturalengland.org.uk](mailto:consultations@naturalengland.org.uk).

Yours sincerely

Victoria Kirkham
