Your reference: Wiltshire Local Plan Review – Reg 18 Consultation

09 March 2021

Dear Planning Policy team,

Thank you for the opportunity to comment on the current consultation for the Wiltshire Local Plan review and the Planning for Wiltshire's Gypsy and Traveller Communities Consultation Document (Regulation 18). We note the former consultation is being undertaken to inform the preparation of the Wiltshire Local Plan Review and a draft plan will be completed towards the end of 2021.

We are pleased to see a Topic Paper on how the Council's planning policies can be shaped to address climate change and biodiversity net gain. The urgent need to respond to climate change is a high priority corporate objective shared with Vale of White Horse District Council.

We have reviewed the consultation documentation and at this stage we have no further comments to make on either plan. Whilst we have no further comments to make on your emerging Plans at this stage, we may wish to make further representations as your Plans progress.

Yours faithfully,

A handwritten signature in black ink that reads 'Adrian Duffield'.
