INFORMATION STATEMENT

INFORMATION FOR VOTERS

Information Statement

A Referendum relating to the adoption of the Chilton Neighbourhood Development Plan will be held for the Chilton Neighbourhood Area on Thursday 9 September 2021.

This information sheet explains more about the Referendum that will be taking place.

The question asked at the Referendum will be:

Do you want Vale of White Horse District Council to use the Neighbourhood Plan for Chilton to help it decide planning applications in the neighbourhood area?

You vote by putting a cross (X) in the 'Yes' or 'No' box on the ballot paper.

If more people vote 'yes' than 'no' in the Referendum, then Vale of White Horse District Council will use the Chilton Neighbourhood Development Plan to help it to decide planning applications within Chilton.

The Neighbourhood Plan, once adopted, will then become part of the Development Plan used by the Local Planning Authority (Vale of White Horse District Council).

If more people vote 'no' than 'yes', in this Referendum or there is a tied vote, then planning applications will continue to be decided without reference to the Neighbourhood Development Plan as part of the Development Plan for the local area.

The Referendum will be conducted in accordance with procedures similar to those used at local government elections.

What is Neighbourhood Planning?

Neighbourhood planning was introduced under the Localism Act 2011 to give local communities more control in the planning of their neighbourhoods. It introduced new rights and powers to allow local communities to shape new development in their local area. It enables communities to develop a shared vision for their neighbourhood and deliver the sustainable development they need through planning policies relating to the development and use of land.

What is a neighbourhood area?

A neighbourhood area can cover single streets or large urban or rural areas. The boundaries of a neighbourhood area are put forward by:

- Town or parish councils
- A neighbourhood forum a group of at least 21 people (in areas without a town or parish council)

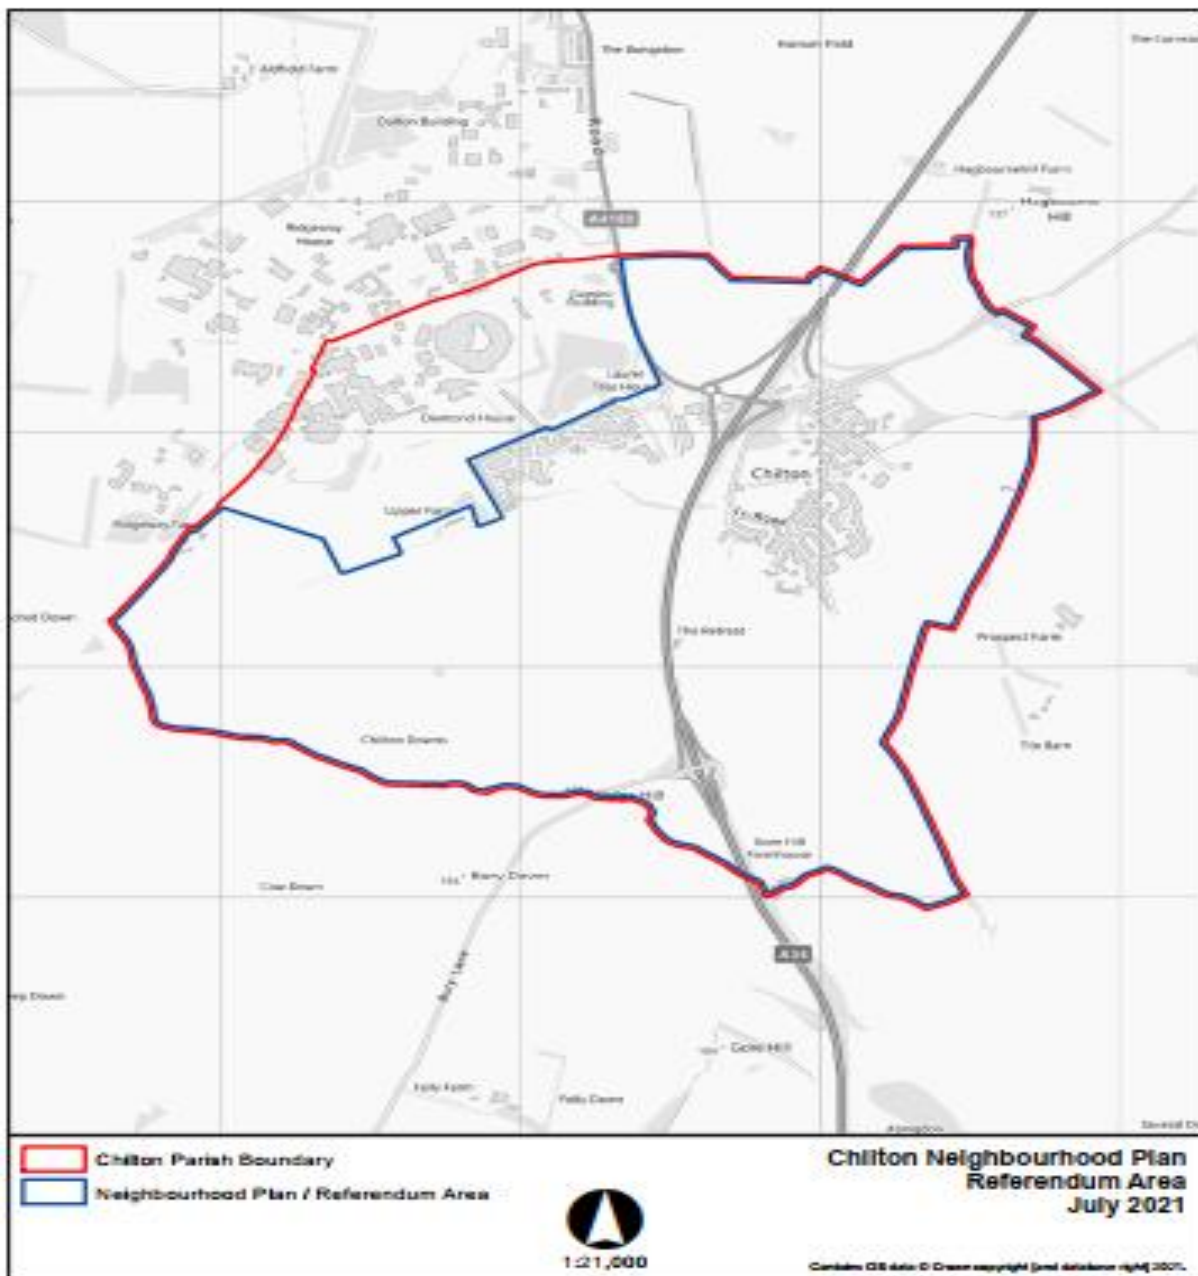

What is a Development Plan?

In England, planning applications are determined by local planning authorities in accordance with the development plan. A development plan is a set of documents

that set out the policies for the development and use of land across the entire local authority area.

Chilton Neighbourhood Area

The Chilton referendum area and parish area are identified on the map below. The referendum and parish area are not the same with the referendum area being in accordance with the designated Neighbourhood Plan area. The Neighbourhood Plan area does not include the whole parish of Chilton as it recognises that part of the parish consists of the strategic employment site Harwell Campus, which is also designated as an Enterprise Zone. The strategic employment site is of high importance to the county and nationally since it will deliver jobs and economic growth. As such, there are larger than local impacts to planning policy within this area and it has a degree of community interest that goes beyond its relationship to Chilton Village and the immediate local area. Harwell Campus was therefore removed from the Neighbourhood Plan area.

Referendum campaign costs

An individual or body can incur costs during the period of the Referendum for the purposes of campaigning in association with the Referendum.

The Referendum expenses limit that will apply to the Chilton Neighbourhood Development plan is £2431.74. The number of people entitled to vote in the Referendum by reference to which this limit has been calculated is 1182.
