

Your bins, how to use them, and everything you can recycle from your home

Recycling bin

What goes in it?

Tin and steel cans, like drinks cans, soup and bean tins

Glass bottles and jars, any colour

Aerosols, like deodorant sprays

Fruit juice and milk cartons

Paper and card, like phone directories, newspapers and magazines

Plastic bottles, bags and pots like shower gel bottles, yoghurt pots and margarine tubs

Food trays – plastic AND clean foil

Important

- ✗ No food waste
- ✗ No nappies
- ✗ No black bags

Recycling must be placed in the bin loose or in a clear bag.

Textiles, clothes, electrical appliances and children's toys cannot go in your recycling bin, but you can take them to your local household waste recycling centre or donate to charity.

Rubbish bin

What goes in it?

Nappies

Black bin liners

Clingfilm and salad bags

Polystyrene

Pet food pouches

Crisp packets

Sweet wrappers

Kitchen towels and tissues

Bulky waste?

Do not leave bulky waste items, such as televisions, furniture, mattresses, washing machines or fridge freezers in your bin store – they can't be collected.

For a one-off fee, we can arrange collection. See www.morerecycling.co.uk to find out more. You can also take these items to your local household waste recycling centre or donate to a charity, if in good condition.

Food waste recycling

What goes in it?

All unpackaged food waste - cooked, raw, stale, as well as:

Your food waste is collected weekly

Any scraps or leftovers from your plate

Cooking oils, lards and fats

Bones and eggshells

Tea bags and coffee grounds

Lining your caddy?

You can use plastic bags, compostable bags, or newspaper, to line your caddy – or simply put your food waste straight in.

Your bin stores must be kept clean and tidy. Please do not leave recycling or waste on the floor – excess waste will not be taken at any time.

If crews are unable to access your communal store, your bins may not be emptied and charges could apply.

Please contact your management company/landlord if there are ongoing problems.
