

Your bins, how
to use them,
and everything
you can recycle
from your doorstep

All about your bins

Find out what day to put your bins out at www.morerecycling.co.uk

Green recycling bin

Every other week

Extra, extra!

If you've got loads of recycling that won't fit in your bin, you can put out extra in an open cardboard box or clear bag next to your bin on your normal collection day.

What happens to this?

We sort it into the different materials and send this to UK companies to recycle into new products.

Food waste caddy

Every week

Extra, extra!

Too much food waste? Put any extra in a food waste bag on top of your bin on your normal collection day.

What happens to this?

We process it at a facility in Oxfordshire, and farmers then use it to fertilise their crops. It also generates enough electricity for 4500 homes!

Grey rubbish bin

Every other week

Extra, extra!

Dont forget - small unusable electrical items can go out with your grey bin for recycling. Just put them in a tied carrier bag next to it.

What happens to this?

This goes to a facility where it's used to generate electricity. It also means 95% of Oxfordshire's general waste no longer goes to landfill.

Large item collection

- arrange a collection

Extra, extra!

If your large items are in decent shape, why not see if your local charity shop can give them a good home?

What happens to this?

Where we can we try and recycle items. This isn't always possible though, which is why we encourage you to see if you can pass bits and pieces of furniture on.

Brown garden waste bin

Every other week on the same day as your green bin

Extra, extra!

To make up for Christmas suspensions, we collect extra garden waste for one week in spring and autumn. Visit www.morerecycling.co.uk to find out more.

What happens to this?

We process it at a facility in Oxfordshire, and farmers then use it to fertilise their crops.

Recycling bin

What goes in it?

Collected every other week

Tin and steel cans,
like drinks cans,
soup and bean tins

Glass bottles and
jars, any colour

Aerosols, like
deodorant sprays

Fruit juice and milk
cartons

Food trays – plastic
AND clean foil

Paper and card, like
phone directories,
newspapers and
magazines

Plastic bottles, bags and pots
like shower gel bottles, yoghurt
pots and margarine tubs

Household
batteries – put
them in a clear bag
on top of your bin

Old, tatty clothes and textiles –
put them in a tied carrier bag
next to your bin

Important!

We will not empty your green wheelie bin if it contains black or coloured sacks - please place recycling in your bin loose or in a clear bag.
NO nappies, food waste or other non-recyclable items.

Rubbish bin

What goes in it?

Collected every other week

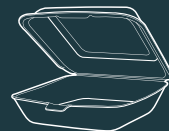

Nappies

Black bin liners

Clingfilm and salad bags

Polystyrene

Kitchen towels and tissues

Pet food pouches

Crisp packets

Sweet wrappers

Small unusable electrical items, like kettles, toasters, electronic toys, and radios – put them in a tied carrier bag next to your bin and we'll take them off for recycling

Please remember that we will only take waste that fits inside the bin with the lid closed, no extra bags will be collected.

More than one child in nappies?

Give us a call on 03000 610610 if you don't have room in your rubbish wheelie bin.

Optional services

Garden waste bin

What goes in it?

Bits and pieces from your garden, like...

Grass cuttings

Hedge trimmings

Dead flowers

Collected on the same day as your **green bin**

For a yearly fee, we'll collect your garden waste from your kerbside. Remember - we suspend garden waste collections over Christmas to concentrate on the extra general waste around this time.

Large item collection

What you can put out

For a one-off fee we'll collect the following from your kerbside...

Televisions

Furniture, like
mattresses
and sofas

Washing
machines

Fridges
and freezers

Arrange a collection.

**Visit www.morerecycling.co.uk
to find out more.**

Bad weather? If snow or flooding makes it unsafe to empty your bins, we might need to cancel collections. If this happens, we'll let you know by issuing regular updates on our website and through our Twitter feeds.

Food waste caddy

What goes in it?

All unpackaged food - cooked, raw, stale, as well as:

Collected every week

Any scraps or leftovers
from your plate

Cooking oils,
lards and fats

Bones and eggshells

Tea bags and
coffee grounds

No more caddy liners? No problem!

If you run out of caddy liners, you can use a sheet of newspaper or put food in loose.

If you're missing any of these bins, they're broken or haven't been emptied, give us a call on 03000 610610 or visit www.morerecycling.co.uk. We come and collect your bins around 7am, so make sure they're out before then - it's okay to put them out the night before. If we miss your collection for some reason, call 03000 610610 by 5pm the following day. Visit www.morerecycling.co.uk for more information.
