

## **Housing Support Fund 2 - Voucher Scheme- Privacy Notice**

South Oxfordshire District Council (SODC) and Vale of the White Horse District Council (VWHDC) are working with local advice agencies to provide direct support to residents.

The councils understand the importance of ensuring that personal data is always treated lawfully and appropriately and that the rights of individuals are upheld. This notice describes how the councils may use your information to assist you.

You can view SODC's privacy policy on the webpage:

### **Why we may hold your data**

The voucher scheme is designed to provide support where needed through different types of vouchers dependent upon the needs identified from your contact with the advice centre. We need to record your details in order for the advice centre to assess your needs and to refer voucher requests to the council.

### **The type of information we collect**

We will need your name, address, email address, telephone number, confirmation you are aged over 16 and information about your financial circumstances and family composition in order to determine whether you are eligible. The advice centre will also need to view proof of your identity.

### **How we get the personal information and why we need it**

We will be collecting personal information directly from you.

### **Our Lawful basis for processing your information**

The Data Protection Act 2018 and UK GDPR requires us to have a specific basis for processing your personal data. In this case we rely on Article 6(1)(e) – processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller. Please note that without your personal details we are unable to assess your eligibility and provide support through the voucher scheme.

### **Who your information may be shared with**

For this scheme, the advice centres collect and process your data on behalf of the councils and we only share your data between ourselves. Your personal data is not shared with the voucher provider.

Your data will not be transferred abroad.

### **How long we keep your information (retention period)**

The voucher scheme will run until 30 September 2022 or when the funds are spent, whichever is soonest. We may need to retain a copy of your data after this date for legal reasons, including audit purposes, but will no longer be actively processing

your data. When we no longer require your personal data, it will be disposed of securely and confidentially.

### **How we protect your Information**

We have implemented generally accepted standards of technology and operational security in order to protect personal data from loss, misuse, or unauthorised alteration or destruction.

### **Your rights**

You have rights under the Data Protection Act 2018, and these can be viewed in the council's privacy policy using the website links provided above.

It should be noted that not all rights apply in all cases and that these rights are only applicable if the council has no other legal obligation concerning that data. If you wish to exercise any of these rights, you should contact the council's data protection officer as detailed below.
