# Pay Policy Statement for 2022/23

## INTRODUCTION

1. This is a joint statement of South Oxfordshire and Vale of White Horse District Councils.
2. The Localism Act 2011 requires each council to produce and publish annually a pay policy statement. The statement which relates to the forthcoming financial year, must be approved by 31 March each year, by a meeting of the Full Council, and must then be published on the council's website. The pay policy statement may be amended during the year by further resolution of the council.
3. The pay policy statement must as a minimum include details of the council's policy on:
  - the remuneration of its chief officers
  - the remuneration of its lowest-paid employees
  - the relationship between the remuneration of its chief officers and other officers.
4. For the purposes of the Localism Act 2011 and this statement, the term "Chief Officers" is defined by Section 2 of the Local Government and Housing Act 1989. For these councils, the term "chief officers" refers to the Chief Executive (Head of Paid Service), Deputy Chief Executives, Heads of Service, Service Managers, the Monitoring Officer and the Chief Finance (S151) Officer.
5. Chief Officers may be employed by either council, and are placed at the disposal of the other by means of an agreement made under Section 113 of the Local Government Act 1972.
6. "Lowest paid employees" refers to those staff employed within grade 1 of the council's pay framework. The above definition for the "lowest paid employees" has been adopted because grade 1 is the lowest grade on the council's pay framework.

## ORGANISATION STRUCTURE

7. On the 9 June 2021, the Joint Staff Committee resolved to agree to make the management structure permanent and confirmed the interim postholders in the posts on a permanent basis. The committee also resolved to confirm the acting Head of Service, Finance and Accountancy in post. Recruitment for vacant positions will continue in 2022/23.

## REMUNERATION OF CHIEF OFFICERS

8. Chief officers are paid a spot salary. The spot salaries which apply for 2022/23 are as follows:

- Chief executive: £169,447
- Deputy Chief Executives £124,227
- Heads of Service: £102,186

Service Managers will be paid on the joint council pay scale at grade 11.

- service managers: £62,808 to £71,330.

9. NB All figures in this statement reflect the agreed pay award for 2022/23 which is 1.9%

10. Chief officers do not receive any performance-related pay or bonuses.

11. The Chief Executive has been designated as the councils' Head of Paid Service. No additional remuneration is payable for that designation.

12. The Head of Finance has been designated as the councils' Chief Finance (section 151) Officer. No additional remuneration is payable for that designation.

13. The Head of Legal and Democratic has been designated as the councils' Monitoring Officer. No additional remuneration is payable for that designation.

14. The Chief Executive has been appointed as the councils' Returning Officer. In this role they receive additional remuneration, which varies from year to year. They may also employ other officers to support them in their work. Fees payable for district and parish council elections are agreed by each council. Fees for other types of election are agreed and payable by the government or other bodies such as Oxfordshire County Council.

15. Chief Officers do not receive overtime, on-call or stand-by payments, and do not receive additional payment for attendance at evening meetings. The Chief Executive, at their discretion, may make additional responsibility payments as required.

16. On recruitment of a new Head of Service within the current management structure, the gross base salary on recruitment will be the spot salary stated in paragraph 7, though this may be varied if an interim appointment is made.

17. On recruitment of a new Chief Executive, the gross base salary will be determined by the Joint Staff Committee.

18. In the event of a Chief Officer's post becoming redundant, any severance payment will be made on the same basis as to any other employee, according to the councils' organisational change policy. Other than any pension to which they are contractually and / or statutorily entitled, no other payments will be made to Chief Officers on their ceasing to be employees of the council unless in settlement of any dispute.
19. Chief Officers' contributions to the Local Government Pension Scheme (LGPS) are determined by their salary and by the rules of the scheme. For those who are members of the LGPS and paying contributions on the whole of their salary, Deputy Chief Executives contribute 11.4 per cent. Heads of Service currently pay 10.5 per cent of their salary into the scheme, while the Chief Executive pays 12.5 per cent. Service Managers who earn less than £65,900 contribute 8.5 per cent, those who earn above £65,901 contribute 9.9 per cent.
20. No enhancements will normally be paid to Chief Officers' pensions other than in the event of a Chief Officer being offered early retirement on efficiency grounds, and only then with the approval of the Joint Audit and Governance Committee.
21. The councils will not re-employ a Chief Officer who has left their employment and is now drawing a local government pension, unless there are exceptional circumstances.

## **LOWEST-PAID EMPLOYEES**

22. The councils are committed to paying the real living wage, the lowest-paid employees (including apprentices) are employed on full time 37 hours equivalent salaries in accordance with the minimum spinal column point currently in use within the council's grading structure. From 1 April 2022, this will be £18,388 per annum. The Chief executive's Salary is thus 9.2 times the salary of the lowest-paid member of staff.

## **REMUNERATION OF CHIEF OFFICERS COMPARED WITH OTHER OFFICERS**

23. Employees who are not Chief Officers are paid according to locally agreed pay scales, with annual increments paid subject to performance until the employee reaches the top of the scale.
24. Pay for all employees is determined by negotiation between UNISON and the senior management team.
25. Pay negotiations for 2022/23 have been agreed and a 1.9% increase awarded.

26. The Ministry of Housing, Communities and Local Government (MHCLG) published in February 2015 a code of recommended practice for local authorities on data transparency. This code of practice recommends publishing the “pay multiple”, the ratio between the highest paid salary and the median average salary of the whole of the authority’s workforce. For this council the median salary during 2022/23 will be £38,967 including the 1.9% pay award. The pay multiple defined above is thus 4.3.
